

Retirees Gold Shield

The Florida Association of Retired Troopers/NYSP has designed and created a Metal Retirement Shield in Gold, Purple, & Black with the exact same dimensions as the on-duty shield most of us carried then turned in upon retirement. The shield was designed at the urging of our members for a very personalized shield which could be carried and then passed on to our loved ones after our final patrol. The front will contain your shield number in the top panel, rank you retired with (abbreviated) in the bottom panel, and on the back of the shield, name, the dates of service and specialty, ie; Firearms, Diver, Arson, Administration, Communications, etc. You may view the shield in color on the F.A.R.T/NYSP web site, WWW.FARTNY.COM. This design was endorsed personally by Mike Doney, President of the Association of Former New York State Troopers and Fred Goldman, President of the Florida Association of Retired Troopers/NYSP. The shield was designed by Larry Austin, Treasurer of F.A.R.T.
